

## **GEORGE GALLOWAY in benefit for WBAI**

### **WBAI hosts an evening of international politics and economics with George Galloway and Richard D. Wolff**

WBAI/Pacifica Radio presents a powerful evening of political and economic discourse with Scotland's George Galloway, former Member of Parliament, and progressive economist Richard Wolff on **Tuesday, March 15th from 7-10pm.**

This exclusive WBAI benefit **at the New York Society for Ethical Culture (2 W. 64th St., just off Central Park West)**, will be followed by a reception. Attendees will have the opportunity to meet and chat with the internationally renowned duo.

In testifying before the U.S. Senate, Galloway famously challenged the U.S. government to stop the invasion of Iraq. He is an expert on Egypt and the Arab world, and will offer his searing insights on the cascading rebellions now sweeping North Africa, and what they mean for America and the world. The New York Times calls Galloway, “a gifted orator with a flair for the verbal showdown,” and Fox News dubbed him as a “loudmouth Scott.”

Richard D. Wolff is Professor of Economics Emeritus at the University of Massachusetts-Amherst. He is also currently a visiting professor in the International Affairs Graduate Program at the New School in NYC. Wolff has spent his career deconstructing and calling for an end to the corrupt capitalist system. He predicted much of the pandemonium surrounding the current economic crash.

**Admission to this marquee event is priced at \$35 for a single ticket and \$50 for a pair.**

**Premium tickets, priced at \$99, will include the post-lecture reception at which ticket holders will be able to meet George Galloway and Richard D. Wolff. Tickets can be purchased through [www.BrownPaperTickets.com](http://www.BrownPaperTickets.com) or by calling 1-800-838-3006.**
